ACCESSORIES

F50/80 FILTRO - INLET FILTER

Filtro per linee aspirazione con doppio cestello in acciaio inox AISI 304 e testa in ottone cromato, dotato di apertura rapida vee-band e presa inferiore da 1/4" per l'eventuale montaggio di un rubinetto di scarico.
Le cartucce filtranti sono in acciaio inox AISI 304 pieghettato (70 microns) e filo avvolto (10 - 20 microns).
A richiesta sono disponibili gradi di filtrazione diversi (vedi tab.cartucce).

Water inlet filter with double housing made of AISI 304 s.s., chromium plated brass heads and quick release vee-bands for easy service of the cartridge.
A threaded hole (plugged) is provided at the bottom of the housings for the installation of a drain valve.
Cartridges are made of AISI 304 s.s. (70 microns) and wound wire (10 - 20 microns).
Other filtration degrees are available on request (see cartridge chart).
